- ✓ Electronic Thermostat
- ✓ Bottom-Mounted Cooling System
- ✓ Bright Internal LED Lighting
- ✓ CFC-Free Refrigerant R290 Hydrocarbon
- ✓ Temperature Range: 33°F to 41°F
- ✓ 3 Heavy-Duty Epoxy Coated Adjustable Wire Shelves

Product Description:

The Empura E-KB27R Reach-In Refrigerator offers durable, efficient performance with a sleek stainless steel exterior and interior. Featuring a spacious 18.1 ft³ capacity, this freezer includes a self-closing, lockable solid door with a 90° stay-open feature, an easy-to-read external LED temperature display, and a bottom-mounted cooling system. Bright LED lighting and three adjustable wire shelves provide optimal storage, while eco-friendly R290 refrigerant ensures reliable 33°F to 41°F operation.

About Empura Solid Door Reach-in Refrigerators:

The Empura E-KB Series Reach-In Refrigerators are reliable and spacious cold storage solutions. Constructed with durable stainless steel, they offer excellent temperature consistency to keep ingredients fresh and safe. Featuring adjustable shelving, user-friendly digital controls, and self-closing doors, these refrigerators provide flexibility and efficiency for high-demand environments. With their robust design and easy-to-maintain features, the Empura KB Series ensures optimal performance and convenience for professional food storage needs.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
