

NEWTON

The sturdy yet chic modern aesthetic of Libbey's Newton glassware is now available in an 8-ounce rocks capacity. With an indented contour around the middle and a narrow profile, it allows for consistent stacking and makes glasses easier and more comfortable to hold.

Newton strikes an ideal balance of functionality, durability and contemporary style – which also makes it an ideal choice for large venues, hospitality banquets and fast-paced environments.

FEATURES & BENEFITS

- 8-ounce rocks glass features indented contour that provides better comfort and grip
- Smaller capacity is ideal for juice, water, cocktails and spirits
- Innovative stacking design minimizes storage impact
- Heat-treated for enhanced durability, reducing overall glassware cost over time
- Dishwasher safe
- Safedge® Rim Lifetime Guarantee
