

**NEW** 201 2693 – Stockyard Steak Knife

**Features & Benefits:**

- High carbon, stainless steel blades for added sharpness and strength
- Two-rivet and full tang handle for increased durability
- Selling unit of just 1 dozen to allow for minimal investment by the operator
- Coordinates nicely with World Tableware’s Stockyard dinnerware for consistency within the venue
- Perfect for higher end steak houses seeking heft and distinction in their steak knife

World Tableware and Libbey Foodservice are proud to introduce the new *Stockyard* steak knife!

*Stockyard* is the ultimate steak knife in appearance and comfort. The high polished full tang serrated blade is crafted using high-carbon (HC) stainless steel for extra hardness and sharpness retention. Enclosing the blade is a matt black synthetic handle offering superior performance and modern ascetics for extended service life.

The *Stockyard* steak knife is the perfect complement to your high end protein presentations plated on our new Stockyard dinnerware from World Tableware.
