Machine Storage Cart

The DXC-3 Machine cart is the ideal storage solution for your doughXpress pizza or tortilla press. The four casters make the DXC-3 cart roll providing mobility to your doughXpress machines. Made from heavy duty stainless steel

Air Compressor

DoughXpress's air compressor is a 1.1 gallon capacity air compressor that runs silently to power any of the doughXpress air-automatic machines.

Dough Ball Tub

These two-quart air tight storage tubs are the perfect way to store and thaw dough balls prior to pressing dough.

Model No.
TXC-3
Machine Storage Cart

The TXC-3 Machine cart is ideal for storing your doughXpress machine. The four casters add mobility to your TXC-3 cart for a portable work station. The TXC-3 has six storage racks for holding trays of dough. Made from heavy duty stainless steel

Release Agent

The doughXpress Release Agent provides a non-stick surface on aluminum platens of food preparation equipment. Unlike manufacturer applied coatings that bubble and are prone to scratching, doughXpress Release Agent coats the surface and is resistant to high temperatures. 16 oz bottles sold individually or by the case.
