## Main Features

- External temperature display.
- High efficiency components to minimize the energy consumption still guaranteeing the highest performances.
- Cabinet and door insulated with high density polyurethane for low environmetal impact.
- Interior LED light to save energy and for best internal visibility.

## Construction

- Lockable door.
- Pre-wired heavy duty power cord.
- · Heavy duty door hinges.
- Magnetic door gasket removable without tools for easy cleaning.

## **Optional Accessories**

- shelf for 48" and 72" (left/right) merchandiser
- shelf clips
