VBP18ES-CBFT

Correctional Holding & Transport Cabinets

Model VBP18ES - CBFT

SPECIFIER STATEMENT

Vulcan Model No. VBP18ES-CBFT correctional heated holding and transport cabinets. Blower motor for gentle and even temperature distribution. Complete with 5" heavy duty casters (2 swivel with brakes and 2 rigid) Electronic control with digital display for holding at temperatures up to 200°F with security cover. Welded racking will hold a variety of pan sizes on shelves with heights of either 4" or 6". 14-gauge Transport Latch included. Cabinet interior and exterior are both constructed out of 20 gauge stainless steel. Recessed and welded side-mounted handles, magnetic action door latch, and full insulation; 1½" in side walls and 2" in top. Integrated steel frame for maximum strength. Complete with rear mounted cord and plug: NEMA 5-15 for 120 volts with strain relief. Built with tamper-resistant fasteners. One-year limited parts and labor warranty. After the first year, 10-year parts warranty on the heating elements.

UL Listed. UL Listed to Canadian safety standards. Classified by UL to NSF Standard #4.
