

NEW

Stainless Steel Fry Presentation Bucket and Basket

Libbey
FOODSERVICE

Introducing two new fry presentation items from World Tableware!

Both are constructed of high quality stainless steel with extra rugged weld for added durability. With have a pedestal added for greater height and therefore, greater perceived value by the patron!

Great for traditional fun foods like burgers and fries, onion rings, shrimp, etc. But they're also perfect to surprise the health conscious when foods like carrot sticks, grilled asparagus, or grape tomatoes are served in them!

Features & Benefits:

- Built with high quality stainless steel for added durability
- Added pedestals to increase the serving height and perceived value
- Great for both fun and healthy foods
- Easy to handle small selling unit
- Ideal for casual venues
