- cETLus and NSF Listed
- CE listed (model 6055A-230)

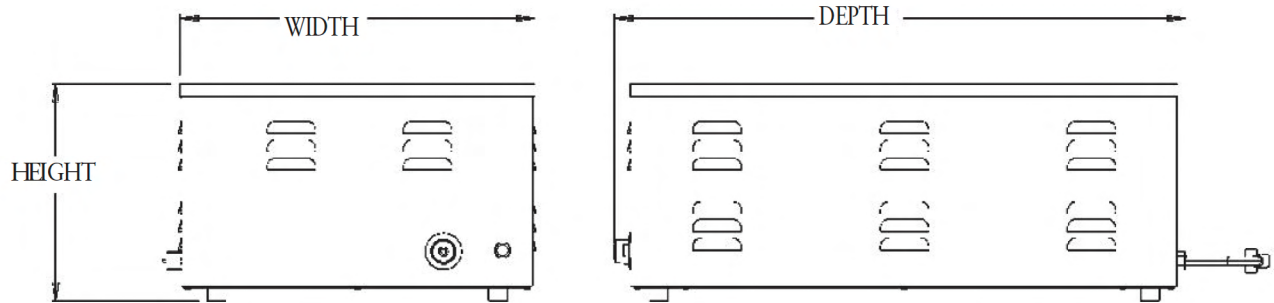

ACCESSORIES

- Adapter bars and adapter plates available for additional pan sizes (see page 2)

Add side dishes and entrées to existing buffet lines or create entirely new temporary buffet lines quickly and easily with Nemco's full-size countertop warmers. You'll enjoy greater menu flexibility and the ability to respond efficiently to changing menu requirements. Plus the reliable adjustable thermostat helps ensure that food held in serving lines is always within your food safety temperature guidelines. Unique heating element design provides even heat distribution to prevent "hot spots".
