Product Description:

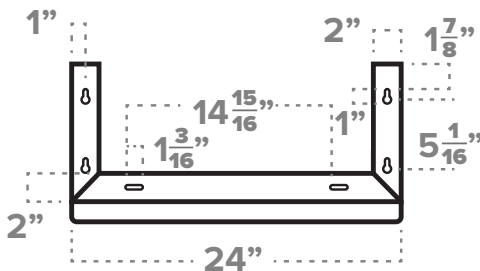

The Empura 1824WMS18G is a 24" wide 18" deep stainless steel microwave shelf with a large 3ft³ surface area / work space. The shelf includes 2 metal brackets that allow it to be mounted on the wall. This microwave shelf features an 18 gauge 430 stainless steel construction that provides unwavering stability. This model has a load capacity of 185 lbs and can support most commercial microwave ovens.

About Empura Shelves:

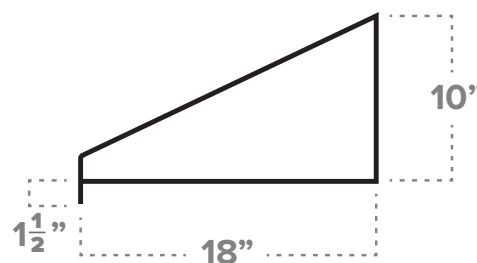

Empura Stainless Steel Shelves are an economical choice when you are looking to replace, or expand your kitchen's storage or work space. Heavy duty stainless steel construction and relatively high load capacities make these stainless steel shelves a safe choice when you're in need of a wall mounted shelf to add storage to your kitchen or active working area for small cooking appliances and food prep.
