

OM Series, Remote, Open Meat Merchandiser

Om Series case will complement any store's interior. Offering high product visibility and efficiency, this case is designed to display both red meat and deli products. The OM Series case provides even temperature distribution and offers tremendous cost savings opportunities with an air defrost system allowing defrosting to be done with the store's air instead of electric heaters or hot gas controls to go bad.

Features

- ▶ Full length mirror to enhance product visibility
- ▶ Decorator color sides of your choice from Marc's enormous inventory
- ▶ Night Shades lock in your refrigeration overnight
- ▶ Three levels of mirror stainless steel shelving
- ▶ Freon valve installed
- ▶ Dial thermometer for accurate temperature readings
