Combi oven accessories

Mobile oven racks

MODEL **SmartCombi™**
ClassicCombi™

General Information

Mobile oven racks for Henny Penny SmartCombi and ClassicCombi ovens help make combi cooking and cook/chill programs more productive and successful.

Mobile oven racks roll right into the combi oven for cooking and are designed to accept various types and sizes of pans and grid shelves, even plated food for rethermalizing. Oven racks and transport carts feature welded stainless steel construction and heavy-duty casters for easy cleaning and years of service.

Henny Penny model 220/215 mobile oven racks are also compatible with Henny Penny CHC-100 Combi-Hold cabinet and BCR-350 blast chiller or BFR-350 blast chiller/freezer when equipped with special low-temperature casters.

Combi oven accessories

Bases and stacking kits

MODEL *SmartCombi™*
ClassicCombi™

General Information

Bases are designed to raise smaller combi ovens to the ideal operating height while providing handy below-oven storage.

SmartCombi and ClassicCombi bases come in two heights:

- 22.8 in. (580 mm) base
- 33.5 in. (850 mm) base

Choose from open stands or cabinet styles with enclosed storage. Bases are designed to accommodate storage of both 2/1 GN and 1/1 GN pans on available rail inserts.

All bases are available with swivel casters or adjustable legs. Bases are constructed of stainless steel for easy cleaning and years of reliable service.
