

# Glove Box Holder

Sometimes it's the smallest things that make the biggest impact. Our Glove Box Holder keeps gloves, one of the most commonly used foodservice items clean, organized and easily accessible.

- Easy to mount.
- Perfect for any type of atmosphere.
- Items traditionally manufactured in stainless steel, but now made from aluminum at a more economic price point.
- Easy one-handed access.
- Easily refillable.
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
