

## COFFEE SCALE & TIMER

The newest member of our *Specialty Scales*, the Coffee Scale & Timer (SDC0602) offers simplicity and style when measuring coffee, tea, spices and other small quantities with a 5.1" x 5.9" small footprint. The built-in count up timer is optimal for measuring pour-over coffee.

Precise to 0.1 g/0.005 oz/0.1 ml, this scale has a platform that is heat resistant up to 275°F/135°C. It features an easy-to-read backlit display and easy-to-clean housing.

### FEATURES

- Tare function
- Selectable units
- Overload indication
- Low battery indication
- Battery charging indication
- Platform heat resistant up to 275°F/135°C
- Count up timer
