SLEEK POLYPROPYLENE PLASTIC BACK DESIGN PROVIDES ERGONOMIC SUPPORT

Introducing...

The Cafetorium Chair

The **Series #8700 Cafetorium Chair** from National Public Seating offers a sleek design with clean lines, in a new futuristic look.

Perfect for cafeteria, auditorium, conference and lecture hall seating, this exciting design will dress up your facility, and is robust enough to last and last.

An upholstered, plush vinyl seat provides comfortable, extended period seating and is matched to a modern-styled polypropylene plastic back that provides ergonomic support. Extremely lightweight at just 10 lbs., its 16-gauge frame provides support where you need it and is built to exceed ANSI BIFMA standards. Store or transport up to 35 chairs in the optional **Model #DY87**, cradle-style dolly. Floor protector glides are made of TPU for sensitive floors, and include built-in gangers for multiple chair setup.
