

7qt waterless round warmer

models : **GS1660**

FEATURES

- Hinged lid and inset included
- Digital control
- No water needed for use
- Can be used on countertop or as a built-in
- 4½' cord and plug

Keep all kinds of soups, sauces and gravies hot with this unique warmer that doesn't require any water! A clean look fits well in front-of-the-house applications. Plus, it has the design versatility to work as a countertop or drop-in unit. Digital controls make operation simple and self-serve access is easy for customers.
