

FULL MESH ROLLS

Using VacMaster Vacuum Sealer Rolls instead of traditional food storage, will save you money and storage space, while keeping your food and game fresh. Rolls are customizable giving you flexibility to make the size bag you need. Ideal for longer items like fish or ribs.

Our patented mesh technology guarantees superior performance on all vacuum sealers, keeping your food and game fresh up to 5x longer than traditional storage methods. BPA-Free and FDA approved for food storage. Ideal for hundreds of uses.

- 3-mil thick material provides optimum freshness
- Eliminates freezer burn and food dehydration
- Bags can be frozen, refrigerated boiled or microwaved
- Compatible with all brands of vacuum sealers
