## . . . Bizerba GSP Series Slicer Tray promotes better food safety and can increase operator productivity by 5X . . .

### GSP series slicer accessory

#### Model: GSP TRAY-D

- The GSP slicer tray promotes better food safety by catching product as it is sliced.
- Tray is form-fitted to slicer base with distinctive drip edge to capture juices as product is sliced from moisture rich proteins and produce.
- Tray with handle speeds productivity by 5X and keeps hands outside of food to reduce the possibilities of cross-contamination and food borne illness in the kitchen.
- High side-walls, great for slicing and holding freshly washed onions, cabbage, lettuce, cucumbers, eggplant, and tomatoes; as well as round proteins like sausage and pepperoni sticks that tend to roll-off slicer base in manual or semi-automatic slice mode.

#### GSP Slicer Tray Features:

- Color-coded: Fresh green
- Form fitted tray to fit GSP series manual or automatic slicer base
- Drip edge 1.75" wide x 1/2" high
- 40° angled tray design allows tray to stay in place for slice thickness up to 19mm (3/4)" wide
- One piece, plastic design
- Dish washer safe
- Handle, front-mounted, easy to grip, twist and empty, all in one motion (W x D): 4.5" x 1.25"
- Tray Dimensions: (Front Width x Left Side Depth x Left Side Height x Right Side Height): 13.0" x 13.0" x 5.625" x 0.5"
- NSF/ANSI Certified
