Here are two very nice additions to Slenda; a two-well and a three-well Serving Tray!

Great for desserts, appetizers, or just sharing at the table, the soft teardrop shaped wells make for great sampler items too. Imagine a risotto sampler in the two-well tray or a mini-dessert tart sampler in the three-well tray. The uses are virtually endless.

Both Teardrop Serving Trays mix and match perfectly with Syracuse China's Slenda, élan, Silk, Resonate, Solario, Tangular, and Café Royal patterns. And of course, they can stand alone to make any tabletop presentation more interesting and fun for the guests!
