

## ACACIA WOOD

Add warmth and polish to your displays with natural oiled acacia wood bowls and trays. Beautiful, contemporary shapes and carved details bring modern flair to each versatile piece, in contrast to your whiteware and flatware. Natural wood is a top trending material in buffet, a perfect addition to your presentation.

## FEATURES & BENEFITS

- Durable acacia wood serving pieces add warmth and character to your buffet
- Many pieces are stackable
- Waterproof; hand wash only
