DineXpress Solid Top units are ideal for use as worktops for plating and for sandwich and salad preparation. They can also be used as a counter for other serving and merchandising needs. These units are in stainless steel and available in different lengths and many options/accessories can be added to fit your needs.

Standard Features

- 14-gauge stainless steel top with 1-1/2" turn down on all sides
- Top secured by four recessed bolts
- 14-gauge stainless steel legs fastened to 18-gauge stainless steel bottom shelf
- 20-gauge stainless steel end and front panels are attached to legs
- Open control side for additional storage capacity
- 5" diameter swivel plate casters, 2 with brakes

Please confirm that you have the most current specification sheet by visiting www.dinex.com.

It is Dinex's policy to offer equipment which is design certified by companies that have been accredited at the federal level by the Occupational Safety and Health Agency (OSHA) and ANSI as a national recognized testing laboratory. These companies include CSA International, Underwriters Laboratories, Edison Testing Laboratories and National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times.

Dinex reserves the right to change specifications and product design without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment.
