- ✓ High-Density Foam Insulation
- ✓ Temperature Range -10°F
- ✓ Hydrocarbon Refrigerant R290
- ✓ Timed Defrost with Automatic Heater
- ✓ Bottom-Mounted Compressor
- ✓ 4" Lockable Casters (Front)

Product Description:

The Empura E-KB81F Triple-Door Reach-In Freezer offers 66 ft³ of storage with a durable stainless steel finish inside and out. Featuring three solid doors, an externally-mounted LED temperature display, and an electronic thermostat, it maintains a temperature range -10°F. The freezer includes nine adjustable, heavy-duty epoxy-coated wire shelves, high density foam insulation, and self-closing doors that remain open at 90°. It also comes with lockable casters and a bottom-mounted compressor.

About Empura Glass Door Reach-In Freezers:

The Empura E-KB Series Reach-In Freezers are reliable and spacious cold storage solutions. Constructed with durable stainless steel, they offer excellent temperature consistency to keep ingredients safely frozen. Featuring adjustable shelving, user-friendly digital controls, and self-closing doors, these freezers provide flexibility and efficiency for high-demand environments. With their robust design and easy-to-maintain features, the Empura KB Series ensures optimal performance and convenience for professional food storage needs.

Intended For Commercial Use Only. Empura assumes no liability for component failure, factory defects or any other damages for units installed in non-commercial foodservice or residential applications.
