## Lifetime Series Enclosed Pan Rack

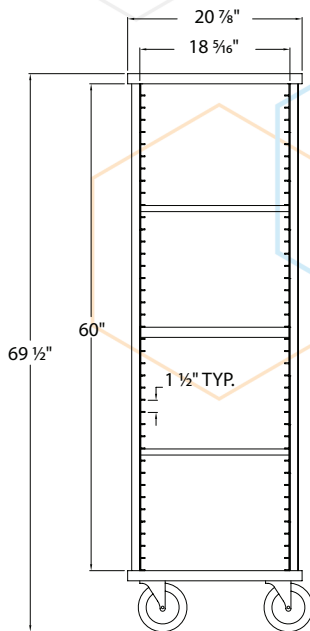

1290WDW

### Our Lifetime Series Transport Cabinet is the toughest in the industry!

Unequaled in construction, this unit is designed to keep product safe and endure around-the-clock usage, including (relentless) truck loading and off-loading. Ideal for use in the foodservice, hospitality, and healthcare industries, including correctional facilities and educational institutions.

- Solid side panels (A) are composed of interlocking aluminum extrusions with guides spaced on 1/2" centers for maximum capacity.
- Air circulates top to bottom via a chimney effect created by the formed back panel and panel insert, welded to the reinforced door framework.
- Internal tie rods (B) and a tubular skeleton provide additional strength and durability.
- Stainless steel hinges allow the door to open 270 degrees and the flip-down latch (C) clinches the door closed. Available door latch holds the door open and out of the way for efficient loading.
- NSF Certified.

### ★ Transport Cabinet

Model No.	Size W-H-D	Pan Cap.	H.D. Base	Ship Lbs.
<b>Full Size Enclosed Pan Rack — 1 1/2" Runner Spacing</b>				
1290WDW	20 7/8" x 69" x 27 5/8"	38	Yes	168
