DOUGH BALL ROUNDER

Model No. **DXP-DBR03 / DXP-DBR3L**

The DoughXpress DXP-DBR03 / DXP-DBR3L Dough Ball Rounder can quickly round bread or pizza dough without strain. Portions ranging from 2.5 - 42 ounces without any need to change parts or accessories. The DXP-DBR03 / DXP-DBR3L processes each portion 50 times to ensure they come out round and perfectly closed, ready to rise, as if they were rounded manually. The DXP-DBR03 / DXP-DBR3L can produce up to 660 lbs depending on dough portions.

Features:

- Constructed of high quality stainless steel and anodized aluminum
- Open operation concept guarantees a continuous visual control that eliminates any possibility or mechanical jam. Allowing for an easier and more accurate cleaning.
- Saves time and labor with its automaticity
- No parts or accessories need to change rounding capacities
- Processes each portion 50 times to ensure they come out round and perfectly closed, without causing any strain to the dough.
- Rounding Range: 2.5 to 42 oz
- Output: 88-660 lbs per hour
- Limited 2 year warranty

Available by special order with legs and castors,
