KEY PRODUCT FEATURES AND BENEFITS

- All stainless construction for durability and ease of cleaning
- Insulated to hold ice for an entire shift and keep your mixes or condiments chilled
- Speed rails can land on or span across these units
- Matches up to the ice bins for appearance and easy assembly
- Keeps you juice and mixes cold without putting directly into the ice for increased sanitation

Quick Features:

- Available in 6" or 12" wide and 18" and 24" front to back
- Stainless construction with seamless interior lining for easy cleaning
- Bottle wells hold your juices, mixes, or condiments right where you need it
- Mounts easily to the ice chest to keep your cocktail supplies close at hand
