

YOU DESERVE A RAISE

From standard seating at lunch, bar-height for late-night, brunch buffets, or anything in between, your business can now be flexible enough for all customers and functions with the press of a lever.

Convenient and easily adjustable, FLAT's height-adjustable tables combine one of our FLAT® Table Bases with our adjustable pneumatic post. Once installed, our pneumatic post rises or lowers with the press of a lever and the assistance of the server. Our height-adjustable tables provide restaurants and facilities with the ability to adapt to any need—and provide a simple and convenient way to cater at dining, counter or bar height—and anywhere in between. Our height-adjustable tables help operators to cater for customers with accessibility requirements and adhere with local legislation (such as ADA compliance in the USA).

Having height-adjustable table bases means you no longer need tables of varying heights for different applications, which take up storage space and your budget. As with all of our precisely engineered products, you'll be confident knowing that your tables are stable, aligned, and doing what they should—being the centerpiece of a memorable experience.

TABLE BASES | HEIGHT-ADJUSTABLE SERIES

ADJUSTABLE HEIGHT

Transform your dining height tables to bar height, or anything in between with the simple press of a lever.

SAVE MONEY

Many businesses stock two sets of tables, bringing bar height tables out for late-night crowds. Eliminate the extra table costs and take back storage space using our height-adjustable tables.

SAVE TIME

Time spent switching out tables for late-night festivities, re-arranging for buffets, or trying to find tables for those with accessibility requirements is cut dramatically.

ACCESSIBILITY

Easily accommodate guests in wheelchairs, or with other accessibility requirements with a simple adjustment.

STABILIZATION

Gain all the benefits of having FLAT® technology under the table, providing a stable footing.

ALIGNMENT

Perfectly align your tables at whatever height suits you and your guests.

EASILY ADJUSTS

Change your dining setup in seconds to accommodate your clientele or function.

Easily adjust tables to accommodate those with accessibility requirements.

TABLE BASES | HEIGHT-ADJUSTABLE SERIES

NEW

ACCESSIBLE

SUBSTANTIAL, STEEL TOP PLATE

308mm/12in

POST

Wider diameter of 3in/76mm for structural support, increased wall thickness.

PNEUMATIC TECHNOLOGY

Our pneumatic technology, located within the post, is quiet, smooth and allows you to easily and discreetly adjust your table's height. The locking features of the post engage when the lever is released.

CAST IRON BASE

High-quality casting.

Our 3in pneumatic post extends from 614mm/24.17in - to - 948mm /37.32in with the press of a lever.

ADJUSTMENT LEVER

Includes spring-loaded safety pin.

PULL, PRESS, RELEASE

Our adjustment lever includes a spring-loaded safety pin to prevent accidental adjustment or movement once the table is set to the desired height.
