

Sm[^]rt Rings | SR

MORE EFFICIENT & LESS WASTE

Sm[^]rt Rings revolutionize your pizza making system with speed and waste reduction. Reallocate labor while maintaining quality and consistency of pizzas with Sm[^]rt Rings.

Antunes and Agape Automation introduce Sm[^]rt Rings. Allowing you to apply cheese and toppings on pizzas at double the speed while cutting your waste in half, Sm[^]rt Rings streamline your pizza operation.

Sm[^]rt Rings | SR

Boost Speed

Perfectly applies and distributes cheese and toppings up to 2x as fast

Minimize Waste

Ensures precise and controlled cheese and topping application, minimizing waste

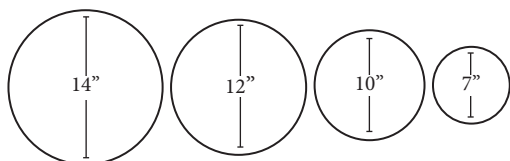

Unique Design

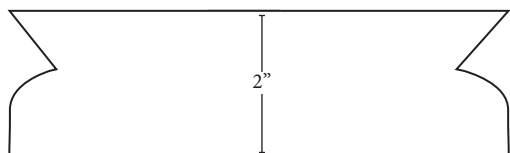

Prevents rings from contacting dough and sauce
