

CR1115

3.38" x 11.88" x 12.63" (H x W x D)

115V single burner cooktop in black ceramic glass, made in Europe

Highlights:

Single burner electric cooktop with 115V operation

Smooth black ceramic glass surface offers easy cleanup and modern style

Includes push-to-turn knob and heat indicator light for safer use

Made in Europe

Product Features:

Smooth black surface made from Eurokera glass Easy cleanup and elegant style on a smooth ceramic glass surface

Single heating element One 1200W burner, with 6" diameter, manufactured for SUMMIT by E.G.O. of Germany, considered by many to be the finest in the world

Single 115V burner Requires hardwired installation to 115V current or professional installation of a NEMA 5-15 plug

Push-to-turn control Prevents accidents by requiring a small amount of force to turn on cooktop heat

Residual heat indicator light Indicates when surface is still hot to touch

Designed for built-in installation Fits counter cutout sizes that are 11 1/8" wide by 11 7/8" deep
