

Retail

Modular units designed to cover the natural juice demand in megastores. The Zummo Retail range includes juicers, cabinets, dispensers and specialised accessories that can be combined to offer the most adequate solution for every space.

Profitability in juice extraction, intuitive use and simple maintenance. These are the key points that make Zummo Retail the best option to make your business grow.

Full tank included

Ref: CV40C-N80 + 210816E-5

Z40 Nature Dual Cabinet Plus

The perfect balance between versatility and efficiency.

It is the perfect juicer to attend to the needs of mass catering and large surfaces. Its capacity to extract large amounts of juice in a short period of time - up to 40 pcs. per minute! - permits satisfying the typical demand peaks of this type of establishment.

Efficiently squeeze juice

1. EVS®Advanced

Unique vertical juice extraction system; a Zummo exclusive. Based on manual juice extraction system it achieves maximum profitability, obtaining the purest possible juice with the greatest operational functionality.

2. Juice extraction kits

The different-sized juice extraction kits help to maximise the yield of the juice extracted from the fruit depending on its diameter. Easily identifiable thanks to the characteristic colour of each range.

Medium (M): Orange.

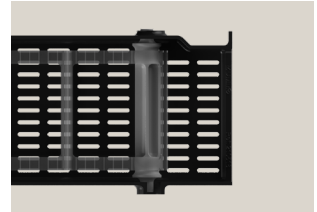

Optional- Extra large(XL): Pink; Small (S): Grey; Large (L): Maroon.

Juice extraction kits

3. Automatic filter

Comprised of a belt that starts to move when the juice extraction starts up, sweeping away the seeds and pulp that remain in the filter: greater juice extraction performance and greater autonomy.

Automatic filter

4. Full tank

Ideal for storing large quantities of juice, while the juicer squeezes in automatic mode. With self service tap.
