

MELAMINE

Serving Boards

WORLD[®]
TABLEWARE

Sleek and stylish Melamine Serving Boards are great for serving trend-forward buffets, shareables or entrées. Their authentic-looking faux wood, marble and slate styles create the earthy feel of natural materials – for a warm, contemporary look that elevates presentations and price points.

Designed for the rigors of foodservice use, they're also lighter weight for easier carrying by your staff and dishwasher-safe for lasting durability.

Features & Benefits:

- The durability of melamine allows for go-anywhere service – tough enough for outdoors, beautiful enough for indoors
- Handled serving boards have an opening (hole) in the handle for hanging to store vertically
- A small, raised profile around the platters help keep food in place
- Pronounced ridge on bottom makes pieces easier to pick up and grip while carrying
- Five SKU's – faux wood and marble, one round-handled, two rectangular-handled, two rectangular trays
