

CAMLINK®

The Camlink® easily locks in place to connect two or more Standard or S-Series Dunnage Racks together for a more stable, space saving storage system.

If you would like to order more Camlinks, please contact your local Approved Cambro Distributor, Cambro Sales Representative or order direct from Cambro at 1 (800) 833-3003. Reference product code DRLINK when ordering.

DUNNAGE RACKS

**S-SERIES SLOTTED
DUNNAGE RACKS**

Cambro® Dunnage Racks conveniently and efficiently store heavy bulk food, liquids, dairy products, dry goods, paper products, or clean equipment 12" (30 cm) off the floor. Will not rust or corrode and are easy to clean. Use in freezers, coolers, or dry storage spaces.

CAMBRO
