- Built-in chemical pumps and priming switches
- Double-wall cabinet for quiet operation and reduced heat loss
- Powerful 1 HP stainless steel wash pump

- **Flexible cycle times**
- **Less water usage**
- **Outstanding results**

DishStar® HT-E

The DishStar HT-E provides exceptional cleaning performance and high-temperature sanitizing while consuming only 0.60 gallons of water per rack. The one minute and forty second cycle allows for 36 racks per hour, which is enough capacity to clean 900 dishes or 1,296 glasses per hour. Simple to operate with automatic fill, push button start, and three selectable cycles for Normal, Heavy, and Extra Heavy soil loads. Perfect for coffee shops, bars, quick service restaurants, small healthcare facilities, day care centers, and convenience stores.
