

The Premier Steam Line

Warranty for Vulcan-Hart Steamers with ScaleBlocker™ Water Filtration System

All Vulcan steamers supplied with ScaleBlocker™ water filtration system are standard with a One Year Original Equipment Warranty and a Second Year Limited Extended Warranty. Use of other water filter systems, other branded cartridges or knock-offs will make your steamer ineligible for the Second Year Limited Extended Warranty coverage, and still require that you properly maintain the steamer and pressure steam boiler under the Original Equipment Warranty.

The Vulcan ScaleBlocker™ system, when you receive it, may not be correctly configured for local water conditions. The installer or you must verify water quality using the supplied test strips and forward a site condition form to Vulcan for evaluation and further recommendations if deemed necessary by Vulcan. Failure to provide such form to Vulcan or to comply with any recommendations made by Vulcan will void the Original Equipment Warranty and the Extended Warranty Coverage.

The pressure steam boiler shell has a 7-year prorated boiler shell warranty standard. Boiler shells that have not been properly maintained will not be considered for proration or replacement. There is no labor compensation beyond the one-year Original Equipment Warranty or the extended warranty contract coverage. Factory inspection of the failed parts may be required. The following pressure steam boiler maintenance supplies carry a 90-day parts warranty; boiler hand gaskets, filter cartridges, cathodic descalers or anodes and other consumables.

The ScaleBlocker™ system must be installed according to installation instructions.

ScaleBlocker™ cartridge replacement records must be available showing scheduled 6 month replacements to maintain the warranty.

THERE ARE NO OTHER WARRANTIES EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE.

Limited Second Year Warranty

The Limited Second Year Warranty covers the following water related parts: Fill Solenoids, CWC Solenoids, Drain Solenoids, Probes, Elements, High Limit Thermostat, Preheat Thermostat, Atmospheric Steam Generator Shell, Pressure Steam Boiler Shell, Cooling Solenoids, High Limit Controls. Other parts that fail will be the owner-user responsibility. Second Year Warranty is limited to parts and labor as long as the prescribed Preventive Maintenance is followed.
