healthcare solutions*

inspiring innovative independent

The Freedom range has been specially designed to assist individuals in maintaining their independence through innovative solutions in eating and drinking. The ability to dine un-aided is one of the few independent pleasures left to those with restricted mobility, and Steelite believes strongly in protecting this seemingly simple, yet meaningful task.

contemporary porcelain at a remarkable value

Form by Varick offers a cost-effective way to maintain meal delivery service and temperature. Featuring superior glaze on bright white porcelain, Form brings contemporary style and functional durability together. The deep coupe plate is ideal for heat conduction and sized appropriately to fit most pellets in the healthcare industry. Accompanied by a range of specially designed accessory items, Form is sure to meet high performance demands.

CORTLAND SILVERSMITH *flatware*

designed specifically for the hospitality industry

Steelite proudly introduces its newest flatware collection, Cortland Silversmith. This collection includes patterns made from 18/10 and 18/0 stainless steel, all exceptionally priced for value-conscious operators. Top-grade hand polishing provides a superior soft shine, while proper weight distribution and balance provides a comfortable feel when handling. Cortland Silversmith flatware provides excellent stain and rust resistance, all the while being commercial dishwasher safe, making it the ideal choice for the hospitality industry.
