

HOSPITALITY PRODUCT GUIDE

A HOSPITALITY GUIDE TO SOCIAL DISTANCING

NEW

The Omcan Social Station

The Omcan Social Station is a suite of polycarbonate partition options built around the hospitality industry's need to shield both workers and your patrons while reducing the spread of contagious, airborne germs. The Omcan Social Station provides peace of mind and creates a protective barrier in your establishment so your community stays safe.

Full-panel, fire-retardant polycarbonate styles are easily cleanable and come with transparency options for varying degrees of privacy.
