

How to select the proper base for your charger:

**Order DX821xxx base based on the following:**

You have a DX811220 induction charger

You have a DX1011120RS induction charger

You have a DX1011208 Turbo Temp induction charger

You have a DX811208 or DX811240 induction charger whose serial number\* begins with 6074, 6075, 6366 or 6370,

You have a DX910220 induction charger

Please note refurbished units will have a DXR versus a DX prefix.
