FACILITY LOCATIONS

Encourage good hygiene in restrooms and high traffic areas with Krowne's hand soap and sanitizer dispensers. The dispensers are activated by a touch-free infrared sensor to minimize the spread of germs. Perfect for hospitals, schools, stadiums, and office buildings. They are easy to install and maintain.

No Water, No Problem! Place Krowne's hand sanitizer dispenser anywhere in your facility to promote healthy hygiene without the need for water, including but not limited to stairways, lobbies, entrances and exits, cafeterias, elevators, and manufacturing areas.
