LIMITED TWO-YEAR WARRANTY - INDUCTION

Your new **EQUIPEX** product is warranted to the original purchaser for a period of **TWO** years from the date of shipment by Equipex. All non-mechanical products such as pans are warranted for defects for a period of 90 days from shipment by Equipex.

This limited warranty is against defects from original factory imperfections in material and/or workmanship and includes labor for replacement of defective parts, provided repairs are performed by the manufacturer. Our obligation under this warranty is limited to repairing or replacing any part or parts thereof. The CUSTOMER must inform the manufacturer of warranty coverage and provide a copy of the dated sales or delivery receipt BEFORE WARRANTY REPAIRS BEGIN. Replacement parts and accessories are warranted for ninety (90) days from the date of purchase when purchased separately and will be verified by dated sales receipt or packing slip for that item. All parts or accessories replaced under warranty must be returned to the manufacturer.

This warranty applies only to equipment under normal use and service in the U.S.A. and Canada. It does not apply to any item that has been repaired or altered in any way so as, in the judgment of **EQUIPEX**, to affect its reliability.

In many cases, the unit or parts requiring service may be replaced with a new or rebuilt unit/part at the discretion of Equipex. Equipex will pay for the freight both ways on the unit/part requiring service and the replacement unit/part. Customer is responsible for packing the unit/part being returned in the packaging sent by Equipex, affixing shipping labels and noting appropriate RMA designation on the exterior of the box. A standby credit card authorization may be required to assure the return of the original unit. Please coordinate the details with the Equipex customer service department.

Any material, labor and related costs associated with removal of the product for repair or replacement, including electrical, sealing, cabinetry, sheet metal, fuse replacement, breaker resetting and/or any other expenses, are not covered by this warranty.

1. Damage caused by abuse, misuse or dropping or other similar incidental damage caused by, or as a result of, customer failure to follow assembly, operation, cleaning, user maintenance or storage instructions.
2. Labor to replace inoperative parts such as bulbs, plugs or racks due to normal wear and tear or abuse.
3. Materials or labor to repair scratched, stained, chipped, pitted, dented or discolored surfaces, attachments or accessories.

7. Products placed or stored in the equipment are not subject to this warranty and no responsibility is assumed thereof.
