

The Penn Scale Label Printing Solution

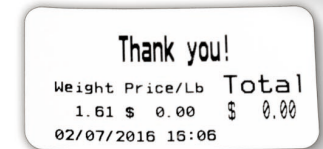

PSPRINTK

The Penn Scale Label Printing Solution provides everything you need to professionally weigh products and print labels easily and quickly. It contains a 30 pound "Legal for Trade" scale, an external label printer, 5,000 labels and all the cables and cords you need to set it up and start to print labels immediately. It is great for labeling any prepackaged item that is sold by weight and complies with all current Weights and Measures regulations. The Penn Scale Label Printing Solution is the most cost effective and simple to use printing scale on the market today!

PSPRINTK

Label Printing Solution

PSLABEL1

SCALE FEATURES

- ◆ The scale is certified as NTEP, "Legal for Trade" with a 30 pound capacity.
- ◆ Three window display on front and back to show the weight, price per pound and selling price.
- ◆ A stainless steel platter that is removeable for easy cleaning.
- ◆ A long life internal rechargeable battery with 48 hours of use
- ◆ An internal clock that provides the date and time that is then printed on the label and can be set by the end user.

PRINTER FEATURES

- ◆ A no ink printing system that does not need replacement ribbons.
- ◆ An auto peeler that prints only one label at a time for hands-free operation.
- ◆ An auto sensor feeds the labels with no adjustments necessary.
- ◆ A large capacity label holder - 2,500 labels on one roll.
- ◆ Plug and play set up for easy use. No switches to change or software required.
- ◆ Cable to connect the scale to the printer is included.
- ◆ Includes two rolls totaling 5,000 labels.
- ◆ The entire solution has a one year warranty backed by Penn Scale.
