Powerful grinding capacity

Built to last

Ease of maintenance

KG-22

Meat Grinders

- Up to 1,700+ lbs/hr grinding capacity
- Food grade stainless steel body and large feed tray
- Robust headstock with permanent affixed safety guard
- Available in 1HP 110V or 2HP 220V
- The SS models feature a Stainless Steel headstock, knife, plate and auger

Model	Dimensions (in)	Weight	Headstock material	1st grinding capacity	2nd grinding capacity	Motor	Voltage
KG-22-W	L: 30.2" W: 16.1" H: 20.4"	133.38 lb	Cast iron	29 lb/min	14 lb/min	1 HP	110 VA
KG-22-W-XP	L: 30.2" W: 16.1" H: 20.4"	137.79 lb	Cast iron	30 lb/min	16 lb/min	2 HP	220 VA

KG-32

High Volume Meat Grinders

- Up to 3,800+ lbs/hr grinding capacity
- Food grade stainless steel body and large feed tray
- Includes motor protector in case of overload
- Safety deflector included
- Robust headstock with permanent affixed safety guard
- Available in single or three phase electrical connection

Model	Dimensions (in)	Weight	Headstock material	1st grinding capacity	2nd grinding capacity	Motor	Voltage
KG-32	L: 37" W: 21.2" H: 23.6"	254.63 lb	Cast iron	55 lb/min	29 lb/min	3 HP	220 VA

Easy to clean

KG-12-FS

Meat Grinder

- 400+ lbs/hr grinding capacity
- Compact footprint for limited spaces
- Precision engineered steel gear transmission
- Food grade stainless steel feed tray and body

Model	Dimensions (in)	Weight	Headstock material	1st grinding capacity	2nd grinding capacity	Motor	Voltage
KG-12-FS	L: 23.5" W: 13" H: 17"	79.37 lb	Cast iron	7.49 lb/min	3.97 lb/min	3/4 HP	115 VA

KG-12-SS

Stainless Steel Meat Grinder

- Food grade stainless steel headstock, plate, knife and auger
- 400+ lbs/hr grinding capacity
- Compact footprint with large 20.8"x13" feed tray
- Robust engineered steel gear transmission

Model	Dimensions (in)	Weight	Headstock material	1st grinding capacity	2nd grinding capacity	Motor	Voltage
KG-12-SS	L: 21.5" W: 13" H: 13.3"	48.50 lb	Stainless steel	7.4 lb/min	5.7 lb/min	3/4 HP	115 VA

BELT DRIVEN SLICERS

Deli Meat Slicers

- Slicers for all types of cold cuts
- Long lasting Italian chromium steel blade
- Compact footprint for limited spaces
- True 45 degrees angle gravity feed
- Stainless steel affixed safety ring guard
- Built in sharpener
- KSDS features a stainless steel construction

Model	Dimensions (in)	Weight	Blade diameter	Cut width	Transmission	Motor	Voltage
KDS-10	L: 17" W: 21.5" H: 16"	50.71 lb	9.84 in	0 - 0.47"	Belt	1/3 HP	127 VA
KDS-12	L: 21" W: 21.5" H: 18"	52.91 lb	11.81 in	0 - 0.70"	Belt	1/3 HP	127 VA
KSDS-12	L: 17.5" W: 22.8" H: 20.2"	63.93 lb	11.81 in	0 - 0.45"	Belt	1/3 HP	127 VA

GEAR DRIVEN SLICERS

Meat Slicers

- Slicers for semi frozen, boneless meat, cold cuts and a variety of cheeses
- Long lasting German Stainless Steel blade
- Built in sharpener
- True 45 degrees angle gravity feed

Model	Dimensions (in)	Weight	Blade diameter	Cut width	Transmission	Motor	Voltage
KMS-12	L: 19" W: 27.6" H: 21"	83.77 lb	11.81 in	0 - 1.5"	Gear	1/3 HP	115 VA
KMS-13	L: 21.4" W: 31.2" H: 20.4"	92.59 lb	12.99 in	0 - 1.5"	Gear	1/3 HP	115 VA

Easy to clean

Safe to operate

KT-8 Meat Tenderizer

- Powerful 3/4 HP motor
- Stainless steel construction and easy to clean
- Includes safety magnetic proximity switch
- Fajita cutter (sold separately)

Model	Dimensions (in)	Weight	Max. thickness	Max. width	Transmission	Motor	Voltage
KT-8	L: 19.5" W: 9.5" H: 23.3"	78.26 lb	0.75"	8"	Gear	3/4 HP	120 VA

KMV-25 Vacuum Tumbler

- Marinates all type of proteins and vegetables under 20 minutes
- Food grade stainless steel tumbler
- Robust polycarbonate lid
- 55 lbs marinating capacity

Model	Dimensions (in)	Weight	Tumbler diameter	Tumbler capacity	Pump capacity	Motor	Voltage
KMV-25	L: 32" W: 17.7" H: 22"	45.19 lb	Ø:17.5"	55 lb"	9.4 Gal	1/6 HP	120 VA

Powerful capacity

Built to last

Effortless to operate

KMG-32

Meat Mixer Grinder

- Up to 3,900 lbs/hr grinding capacity
- 110 lbs Hopper capacity
- Food grade Stainless Steel headstock and auger
- 3 phase electrical connection
- Pedal operated

Model	Dimensions (in)	Weight	Headstock material	1st grinding capacity	2nd grinding capacity	Motor	Voltage
KMG-32	L: 45.8" W: 24" H: 50"	667.00 lb	Stainless steel	66 lb/min	50 lb/min	7.5 HP	220 VA

KSP-116

Meat Band Saw

- Powerful 1½ HP motor
- Removable wheel and scrap cleaners
- Cuts through all type of meats
- Robust belt driven transmission
- Food grade aluminum head and robust painted steel base

Model	Dimensions (in)	Weight	Saw length	Blade speed	Work area	Motor	Voltage
KSP-116	L: 33.1" W: 35" H: 71"	357.14 lb	116 in	52 ft/s	930 in ²	1.5 HP	115 VA

Hose down washable

Effortless to install

Easy maintenance

KS-116

Meat Band Saw

- Food grade stainless steel construction
- Safety proximity magnetic switches
- Removable wheel and scrap cleaners
- Powerful 1½ HP motor
- Available in 115 V or 220 V

Model	Dimensions (in)	Weight	Saw length	Blade speed	Work area	Motor	Voltage
KS-116	L: 33.5" W: 37" H: 71"	360.45 lb	116 in	52 ft/s	930 in ²	1.5 HP	115 VA
KS-116-V2	L: 33.5" W: 37" H: 71"	365.96 lb	116 in	52 ft/s	930 in ²	1.5 HP	220 VA

KS-120

Meat Band Saw

- Powerful 3 HP motor to increase productivity
- Food grade stainless steel construction
- Safety proximity magnetic switches
- 220 volts / 3 phase electrical connection

Model	Dimensions (in)	Weight	Saw length	Blade speed	Work area	Motor	Voltage
KS-120	L: 33.5" W: 37" H: 71"	429.89 lb	120 in	104 ft/s	891 in ²	3 HP	220 VA
