Introducing the CENTERLINE™ PREP TABLE

Simply designed. To be the best. For you.

Centerline™ by Traulsen brings you the Traulsen reliability you've come to expect, versatile sizes, and longer lasting prep tables, at an affordable price. This new line of compact prep tables & mega tops is the perfect fit for any kitchen. A prep table designed around your need for durability, simplicity, and affordability.

Centerline™ by Traulsen is designed to outlast the competition and consistently maintain safe temperatures, providing our customers with reliable performance at a budget friendly price.

Food safety

Meets NSF7 performance testing for open top refrigerated food prep units

Electronic control

with easy to read LED display

Doors

Stay-open/self-closing for ease of loading and unloading, field-reversible feature

Versatility

Variety of sizes: 27", 36", 48", 60", 72"

Insulated hood

Helps maintain internal temperatures by reducing escape of cold air

Megatop

Extra pan space for busy kitchen operations

6" Deep pans

NSF rated for 6" deep pans. 4" deep pans provided standard.

Usability

8" or 12" cutting board to fit your kitchen needs

Functional handles

Full length, recessed grip profile provides easy grip

Durable construction

Stainless steel exterior with corrosion resistant anodized aluminum interior

Model Shown - CLPT2712
Solid Door or Drawers

Ownership Benefits:

Simple to Operate & Maintain

Quality & Performance

Operator Assurance

6-Year Parts & Labor Warranty

Additional 1 Year on Compressor Parts
