## Mobile Merchandiser 1407

Designed to display merchandise at multiple angles, this cart can accommodate a variety of products. When not in use, it can easily transport merchandise to the back and can be stored on-end to save space (when not in use).

- All welded construction, Type 6063-T5 aluminum.
- Rectangular tubular base secured with four sheet type gussets with four caster plates welded at each corner and four button bumpers riveted to base front
- Deck constructed of four laterals spaced 4¾" apart and a 2" lip welded to hinged end of deck.
- Stand consists of rounded channel welded perpendicular to length of unit to secure display position.
- Four plate type casters; two 1⅜" x 5" swivel, two 2" x 5" rigid with brake.
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
