

## STACKABLES WITH STYLE: GALLERY glassware

**Designed to maximize light refraction, Gallery adds a brilliant sparkle to your beverage service; it's space-saving stackable, too.**

### Features and Benefits:

- Diamond-patterned faceted glass adds a refined retro or modern vibe
- Thick base provides excellent feel in the hand
- Inner ledge designed for balanced stackability
- Libbey exclusive DuraTuff® thermal treatment strengthens the upper portion of the glass, increasing its resistance to thermal and mechanical shock
- 5 SKUs, rocks to cooler sizing – versatility for any beverage

Faceted base gleams, casts a perfect reflection on every beverage

For additional information, contact your Libbey® sales representative or distributor.
