## Surface Mounted Paper Towels Dispenser & Waste Receptacle

Our Recessed Paper Towel Dispenser and Waste Receptacle is made from long-lasting, heavy gauge stainless steel with a smooth satin finish. With our self-feeding, rounded hemmed opening, paper towels dispense without tearing, limiting waste. The paper towel tray can hold 350 c-fold or 475 multifold paper towels. Our waste receptacles leakproof 2-gallon waste container is ideal for high traffic areas such as public bathrooms. Inside the wastebasket is two stainless steel clips to ensure the trash bag is secure throughout the day. Each door is furnished with a tumbler lock key to prevent any unauthorized access.
