

DURABLE DESIGN

- Modern & attractive appearance for any kitchen, C-Store, service station, etc.
- Black exterior baked enamel steel finish
- White interior baked enamel steel finish
- Interior base in painted steel finish
- Heavy-duty polyethylene coated adjustable wire shelves
- Double-pane locking glass doors are ergonomically designed and self-closing with easy grab handles
- Plastic upper sign panel with lamp

ENERGY EFFICIENT

- Entire cabinet structure engineered to the highest standards
- Built using foamed-in place high density CFC-free polyurethane
- CFC-free refrigerant with R290a gas (EMP-EGM-7B and EMP-EGM-7S - R600a gas)
- Magnetic door gaskets of one piece, providing a tight and efficient seal
- ETL approved and conforms to NSF 7 standards

SUPERIOR QUALITY

- Positive air flow throughout with forced air movement throughout entire cabinet
- Refrigerators hold 33-41°F for optimum preservation of foods and beverages
- High efficiency evaporators with oversized condensing units on all models
- Digital temperature readout display with electronic thermostatic control
- LED interior lighting for total product display
