Soup Stations

Models: SW2-7QT
SW2-11QT

Hatco's Soup Station is designed to provide an attractive appearance while holding pre-heated soups at safe serving temperatures – whether it's front of the house, self-serve kiosks or catering.

Heat is evenly distributed throughout the unit to hold foods at desired temperatures, and the insulated stainless steel design provides easy maintenance and durable performance.

Standard features

- Unit available to accommodate two 7-Quart (7-Liter) or two 11-Quart (10-Liter) round pans
- Stainless steel construction with insulation that provides easy maintenance and durable performance
- Infinite switch with indicator light on both ends of unit that controls nearest well
- Convenient recessed handles
- Comes with 6' (1829 mm) cord and plug attached
