Bracken (Stock Color)

Distressed Oak (Stock Color)

Vintage Pine\*

Ebony Oak\*

Auckland Oak\*

## BENEFITS

### Quick & Easy Tool Free Set-Up & Take Down

- Set-Up a 15'x15' floor in 15 minutes\*
- Disassemble time average less than 10 minutes\*

### Luxury Vinyl Plank (LVP) Karndean Commercial Grade Surface

- Commonly used in hotels, corporate offices, hospitals and schools
- 20mm wear layer to withstand heavy use
- Real wood appearance alternating six different wood grain patterns to add texture & interest
- Phthalate free and recyclable vinyl
- Inherently antimicrobial

### 100% Waterproof

- LVP surface and aluminum base tray

### Outdoor & Indoor Use

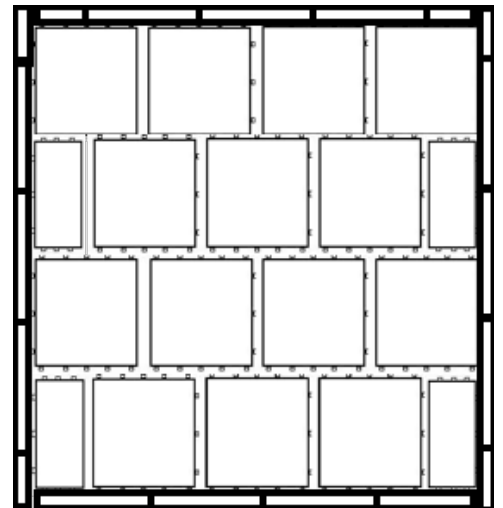

- Engineered for the special event industry and demands of repeated use

### Industry Leading Storage Cart

- Fits Through Standard Door Sizes
- Keeps edge sections organized & damage free
- Ergonomic cart makes loading & unloading panels easy

### Low Maintenance

- No need for varnishing, sealing or waxing
- Pressure wash gently or wipe clean

The revolutionary Multilok® self-locking system used full and half panels laid in a brickwork pattern to insure no four corners come together at any point eliminating separation during use.
