Individuality and natural authenticity are the key features of Pottery. The decors on the large plates, platters and delicate dishes give them the look and feel of ceramic surfaces. Vibrant shades meet natural colors, lending the porcelain an entirely new, natural aesthetic whereby the consistently hand-made look makes each piece Pottery Unique.

Pottery thus provides creative scope for the attractive presentation of food – from Asian to bistro. Naturally, the entire Pottery range with its ceramic look features the accustomed high quality of hard porcelain inclusive of dishwasher-safe underglaze decor.
