

Kleen-Pail® Caddy

BENEFITS

**INTEGRATED SPRAY BOTTLE
CREATES PORTABLE CLEANING AND
SANITIZING SYSTEM**

**SAVES TIME
AND REDUCES LABOR**

Mixing cleaning and sanitation solutions in the same bucket can be harmful to restaurant equipment and its patrons.

The Kleen-Pail Caddy System is an effective answer to keeping these solutions separate. This easy to use, all-in-one cleaning/sanitizing pail increases productivity by combining two tiresome processes into one efficient tool. While the Kleen-Pail Caddy's handle design provides stability and comfort while in use, the pour spout and raised solution level markings ensure safe, effective cleaning of any surface.
