

Stile

Stile: The Perfect Partner

Stylish looks, ease to use and first-class performance. These are the features of Stile, the ultra-compact coffee grinder designed for home and coffee shops. Stile guarantees precision grinding and serving for every type of coffee preparation, from espresso to French Press.

HIGHLIGHTS

On demand With Two Programmable Doses

Two doses are always available, for single and doubles, with the option of setting a third dose for the continuous button as well.

Touchscreen

Program the doses straight from the touchscreen. The timer on the screen shows the time of the last brewing and the maintenance icons light up when it is time to replace the burrs and when the bean hoppers is not correctly mounted on the dosing grinder.

Micrometric Adjustment

Adjust the grinding degree by turning the ring nut on both sides of the grinder-doser.

Hands-free Operation

The practical, height-adjustable Hands-Free fork allows you to attach the portafilter and start grinding with a single touch.
