About Empura Deck Mount Faucets:

Empura's commercial-grade deck mount faucets are designed for both durability and style, with a versatile range of four models to meet various needs. Each faucet features 4" centers and the different models in this series offer the option of a swivel gooseneck or swing spout, making it easy to find the right model for you. Rated for water temperatures up to 140°F, these faucets ensure reliable performance in high-demand environments. With a water-saving 2GPM flow rate, an elegant chrome finish, and easy-to-use lever handles, they're as practical as they are sleek. Plus, they're NSF-listed, guaranteeing compliance with health and safety standards.
